

Leave the car next door. *No booking needed.*

Phi keeps two small parking areas on the two plots beside the hotel — thirteen spaces in all. They are free for guests and run first come, first served, so we cannot reserve a particular spot. They fill rarely; if they are full, there is room to leave a car nearby and we will help.

P1 sits in the alley off Agiou Mina, right beside the hotel; P2 is the larger plot a minute on, off Konstantinou Kanari. Both are a few steps from reception.

The last minute of the drive

Both routes start at the same place: coming up from Agia Marina, at the point where Athinas meets Miaouli. From there it is one turn to P1, two to P2.

P1 Beside the hotel

5 spaces · the alley off Agiou Mina

- 1 On Miaouli, take the first right onto Agiou Mina. Our sign for Phi Aegina reception marks the turn.
- 2 Follow Agiou Mina to the end. Just past the hotel, on your right, a short alley opens up — that is P1.

P1 — the alley beside the hotel.

P2 A minute further, more room

8 spaces · off Konstantinou Kanari

- 1 Stay on Miaouli, past that first turn for reception, then take the next right onto Konstantinou Kanari. Our sign for Phi Aegina parking is on the corner.
- 2 Follow the road up. At the top our sign points right — turn there.
- 3 At the end of the lane the parking opens on your left — that is P2.

P2 — the larger plot off Konstantinou Kanari.

Leave the car and walk down to us — it is a minute from either. If anything is unclear, call and we will walk out and meet you.
